Re: Annual Report of Mining Operations Information, RonCon Properties, Inc., Welcome Springs/ RC Claims, S/053/043, Washington County, Utah

Dear Mr. Terry:

Thank you for your letter included with your annual report. Your interpretation of Article #6 of our rules is incorrect. The legal description applies to both placer and lode claims. The property description needs to be described to the 1/4 1/4 1/4 section for inclusion into our database. This complete property information is necessary for our Division to check the status of the property on which the permit has been issued.

Please submit the amended report with article #6 completed. If you have further questions, please contact me at (801) 538-5382.

Sincerely,

A handwritten signature in cursive script that reads "Doug Jensen".
